Medical Waiver

I am the parent or legal guardian of the child(ren) listed on this form. I understand that soccer is a physical sport and that, like any physical activity, there is a risk that my child will sustain injury when participating in soccer-related activities. Such injuries may include, but are not limited to, cuts, bruises, scrapes, sprains or broken bones. Further, I understand that injuries may occur even while properly using protective equipment provided or recommended by Friends of Albany Youth Soccer, Inc., my child's coach or assistant coach, or the referees provided by Friends of Albany Youth Soccer, Inc.

By signing this form, I acknowledge the nature of this activity and agree, on behalf of my child, to assume the risks inherent in participation. I also agree to hold Friends of Albany Youth Soccer, Inc., its directors, officers, coaches, assistant coaches and referees, harmless with respect to any injury sustained by my child to the extent that such injury arises from any risk inherent to the sport of soccer, whether explicitly acknowledged by me or not.

I certify that, other than those conditions made known to my child's coach by me prior to any game or practice, my child has no known medical condition that would pose a danger to my child or any other participant in the above-described soccer activity. I further certify that if any medical condition is listed below, I have discussed the condition with my child's physician and have obtained that physician's approval for my child to participate in the Albany Youth Soccer program.

In the event my child is injured in my absence, I hereby authorize a representative of Friends of Albany Youth Soccer, Inc., to seek and approve medical treatment that is, in the representative's sole judgment, appropriate for the injury or injuries sustained by my child. I agree to fully indemnify Friends of Albany Youth Soccer, Inc., for all costs associated with such medical treatment.
